

INVEST IN THE NEXT GENERATION OF PREACHERS

LWPT legacy pack

LWPT is a ministry set up to give support to lay and clerical church leaders throughout the UK. We do this through development of preachers, creation of good quality resources and the giving of grants to people in training.

Your legacy will make a significant difference to men and women in various forms of leadership throughout the churches in the UK

“

I am enormously grateful for the financial support LWPT has provided. I thank LWPT for their faith in me. It means a lot.

“

I have just completed my BA in Theology, Mission, and Ministry which I could not have done without LWPT's support. You helped me push through hardship and the poverty premium, and next month I join a church's leadership team in a paid capacity.

Thank you - to all at LWPT and everyone paying in to this ministry.

LWPT has always benefited from the legacies of our supporters

Please don't feel that you need to leave a gift in your will to LWPT. But if you are thinking of doing so allow me to share with you the sense of privilege I feel in leaving LWPT a gift in my will.

LWPT is on the front line of what God is doing in the churches in the UK. They are investing in those people, both lay and clerical, who God uses to communicate His word to people who are seeking to be more like Him. So many local Worship Leaders and Local Preachers are unpaid despite all the hours they give to the Lord in preparation and the leading of services.

And yet their ministries make a huge difference in local churches. LWPT supports them through literature, preaching inspiration and grants.

“I'm very grateful for the grant I received from LWPT. It helped massively during my theological training and I am continuing to regularly use the books and resources in full time ministry.”

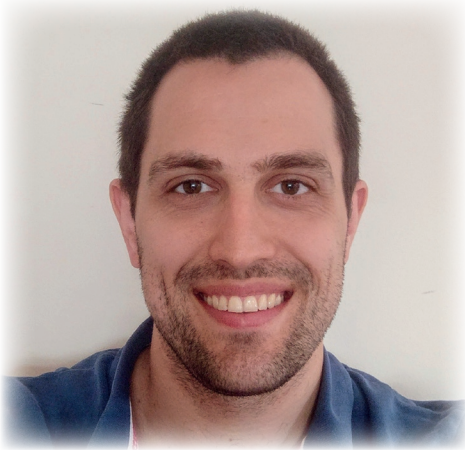

Adrian Hodder

Our Lord left us a legacy too. When he said, *“Go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”* (Matthew 28:19-20). He was leaving us a remarkable legacy. He promised to be with us as we teach His people to obey all that He has taught us. **Those communicators of the ways of God are the people that LWPT wants to help. And they support all preachers of the Gospel, especially when times are hard for them.**

I am convinced that everything we have is owned by our Lord but given to us as His good stewards. When it comes to leaving a legacy I'm thinking of that reality.

John Witt, Leeds

“

My family and I are so grateful to LWPT for their grant support. They have blessed us hugely, enabling us to successfully complete crucial studies for future ministry.

Your legacy will be used to develop ever more preachers and church leaders through local churches in the UK

Bible-based communications are essential to the mission of God

As the ministry of evangelism moves into the arena of disciple-making the Church in the UK will always depend on lay and clerical people to help Christians grow in Christlikeness. God wants His people to grow in maturity, which means the reshaping of His people to become ever more like the Jesus we proclaim. **And as we become more like Jesus we also become walking commentaries on Scripture. John 17.17 Sanctify them by the truth; your word is truth is Jesus' way of saying the same thing.**

We are grateful to everyone who leaves LWPT a gift that allows us to continue to support key communicators in Bible-based ministries in the churches of the UK. **As we award grants to the next generation of Christian leaders, supporting them with good quality literature and giving them practical support in their preaching ministries – your gift will bless these communicators for years to come.**
